BOARDS & DISHES

Introduction

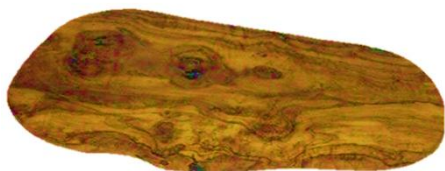

BOARDS & DISHES is a Tunisian firm, specialized in providing a high quality of olive wood kitchenware and tableware, such as boards, dishes, plates, bowls, and many other items. All these products are available in different sizes and shapes, using superior quality of dry olive wood.

Our products are made from the reputable solid olive wood. Our country, is the fourth world olive oil producer, and contains more than 60 million olive trees. Our warm climate, makes our olive wood the world's best and most solid. In addition, we select carefully our wood, and we buy only the best quality and the dry wood.

Our strengths are our craftsmen's skills, which can provide for you, the high quality, and the excellent finishing of standard or customized products at the strict respected delivery times.

We are looking for permanent customers all over the world.
